

FUNDING OF SCIENTIFIC PUBLICATIONS

RIMASYS GmbH supports young scientists in the field of research by granting printing subsidies. RIMASYS GmbH therefore supports the publication of dissertations and post-doctoral thesis as well as other scientific publications by providing financial support.

HOW TO APPLY:

Please see first the section REQUIREMENTS to see if you are eligible.

If so please get in contact with us via email or phone.

You will need to send an email containing the following information:

- A curriculum vitae of the author(s) must be enclosed
- Submission of the thesis
- For dissertations and habilitation thesis, complete reviews from the procedure must be submitted
- The offer for the printing costs must be submitted

REQUIREMENTS:

- The work must be written in German or English
- Research area must be traumatology, trauma surgery or related fields
- Willing to make a reference in an appropriate form (incl. logo and reference to the homepage www.rimasys.com) to the support provided by the Foundation

OBLIGATIONS AFTER THE FUNDING

Upon publication, one printed copy must be submitted to the management. Also the final invoice must be submitted.
